“Fill the Bin!”

By: Lucie Serravo
University of Oregon Clark Honors College – Tuesday, March 4, 2003

Spearheaded by event coordinators Laura Bunselmeyer and Lucie Serravo, the Clark Honors College sought to become an active participant in the 2003 Governor's Food Drive, which benefits, among other things, the Eugene based Food for Lane County. Built upon the cry “Fill the Bin!” Clark Honors College students, faculty and staff took time out from academics to fill TWO BINS with cans of soup, peas, peanut butter and other hearty foods.

The drive, which ran on campus from February 3 through the 28, is part of a statewide annual effort to collect food for needy families in Oregon. Accepting food and monetary donations, this year's **food raising** goal was exceeded by 30, 000 pounds!

The Clark Honors College events staff would like to thank all CHC students, faculty and staff who contributed to this years Governor's Food Drive.
