NEXT STEPS

1. Meet with your CHC advisor

- a. Log into DuckWeb and go to Degree Audit to look up your advisor, or
- b. Stop by the CHC Reception Desk, or
- c. Go to any CHC faculty member you'd like

2. Meet with an advisor in your major

Students majoring in Human Physiology may pursue a number of advanced degrees, including MD, MD/Ph.D., or Ph.D.

The Human Physiology department provides a student guide to their curriculum. It includes information on both faculty and peer advising, and major requirements:

physiology.uoregon.edu/undergraduate/student-guide/

Downloadable worksheets illustrating how to fulfill the major requirements of Human Physiology are also available.

3. Meet at least annually with both your advisors: CHC and your Human Physiology major
