

## *Degree Paths: Chemistry and Biochemistry*

### **NATURAL SCIENCE MAJOR Chemistry and Biochemistry**

#### **Student A**

- After graduating, worked in a research lab at an AAU university before entering medical school
- Took summer classes, studied abroad, and graduated in five years

#### **Student B**

- Pursuing a Ph.D. in chemistry at an AAU university
- Participated in the UO College Scholars Program, took summer classes, and graduated in four years

#### **Student C**

- Earned a Ph.D. in chemistry from an AAU university and is now a professor
- Participated in the UO College Scholars Program and graduated in four years

---

### **NEXT STEPS**

#### **1. Meet with your CHC advisor**

- a. Log into DuckWeb and go to Degree Audit to look up your advisor, or
- b. Stop by the CHC Reception Desk, or
- c. Go to any CHC faculty member you'd like

#### **2. Meet with an advisor in your major**

For sample year-by-year course plans and checklists, whether majoring or minoring in Chemistry or Biochemistry, as well as graduating with department honors, visit [chemistry.uoregon.edu/undergraduate/](http://chemistry.uoregon.edu/undergraduate/)

Undergraduate advising is available from a Chemistry department faculty member as well as from Chemistry peer advising center:

[chemistry.uoregon.edu/undergraduate/uadvising/faculty-advisor/](http://chemistry.uoregon.edu/undergraduate/uadvising/faculty-advisor/)

[chemistry.uoregon.edu/undergraduate/uadvising/upeeradv/](http://chemistry.uoregon.edu/undergraduate/uadvising/upeeradv/)

Students considering a career in the health professions can also consult the UO Health Professions Program: [healthprofessions.uoregon.edu/](http://healthprofessions.uoregon.edu/)

#### **3. Meet at least annually with both your advisors: CHC and your Chemistry or Biochemistry major**
