

Greetings and welcome to all incoming Clark Honors College students!

We hope you are enjoying your summer! We are preparing for your arrival with great excitement and look forward to officially welcoming you next month. As incoming students to the CHC and University of Oregon, there are a few *action items* that you will need to complete and important reminders to add to your calendar.

The University of Oregon remains committed to helping to protect our community from the spread of COVID-19 and the Omicron variant by reducing the potential for serious illness, hospitalization, or death. **The UO requires students who learn, work, or live on any UO campus location to be up to date with COVID-19 vaccines, including a booster dose when eligible.** Students should upload their vaccine records and/or request an exemption in the [myUOHealth portal](#). Individuals may request exemptions for medical and non-medical reasons.

- **Action Item:** Read the required information found here: <https://health.uoregon.edu/immunization-requirements>

As a reminder, the **IntroDUCKtion Community** virtual page is now live! If you haven't done so already, you will need to visit the [Community pages](#) where you will notice that you have two pages available to you – one for the [Fall 2022 IntroDUCKtion](#) experience, and one specifically for the [Clark Honors College](#).

- **Action Item:** Complete the [Clark Honors College Fall 2022 Advising Prep](#) course is where you will learn all about the vibrant community of the Clark Honors College and learn about your specific curriculum and requirements. ***This is the only advising module you should complete on the IntroDUCKtion pages.*** You should review the materials here and then get ready to take a short quiz to complete the module.
- Once you complete the short quiz on the [Clark Honors College Fall 2022 Advising Prep](#) page and taken your Knowledge Check, your quiz scores will be updated on both pages for accurate record keeping.
- There is also an advising module and short quiz on the Fall 2022 IntroDUCKtion Community site. ***Please do not review the advising materials or take the quiz on the Fall 2022 IntroDUCKtion Community site. That information does not pertain to Clark Honors College students.***

If you have yet to have your advising appointment to register for Fall term classes, be sure that you have signed up for an in-person IntroDUCKtion session and checked your email for an invitation to schedule your appointment. If you have any advising questions, contact Dr. Angela Rovak arovak@uoregon.edu, the CHC's Director of First-Year Experience.
